

Job Opportunity

Job Title: Licensed Massage Therapists - Aesthetics & Wellness

Job Type: Part-Time / PRN

Pay: Competitive + Commission Opportunities

Job Description

Circle of Care Aesthetics & Wellness is looking for a skilled and customer-focused **Licensed Massage Therapist** to provide high-quality skincare services and enhance patient confidence and wellness. In this role, you will deliver personalized massage treatments that promote relaxation, pain relief, and overall well-being for our diverse clientele.

Responsibilities

- Provide professional massage therapy services, including deep tissue massage and trigger point therapy, tailored to individual client needs
- Conduct thorough patient assessments to determine appropriate treatment plans and identify areas of concern
- Educate clients on self-care techniques and post-treatment recommendations to optimize results
- Maintain detailed documentation of treatments, patient progress, and any relevant medical information using proper medical terminology
- Ensure a safe and comfortable environment by adhering to occupational health standards and sanitation protocols
- Collaborate with other healthcare professionals or medical staff when necessary to support patient pain management strategies
- Stay current with industry best practices, new techniques, and ongoing education to enhance skills and service quality

Qualifications

- Active Massage Therapist license in Mississippi
- Experience in spa or med spa setting required
- Strong sales and customer service skills

Why Join Us?

- Commission-based earning potential

- Opportunity to grow with a new aesthetics brand
- Collaborative and empowering work environment

👉 **Help clients look good, feel good, and live well!**
